

Online Safety & Security

The internet is a vast and amazing tool, offering countless opportunities for engagement, learning, and sharing. But unfortunately, just as in the 'real' world, predators try to take advantage and cause harm. Being knowledgeable of potential dangers and how to protect yourself against them can keep you, your data, and your device safe from online predators.

Topics covered include:

Basic Types of Internet Fraud

Identity Theft

Phishing & Common Phishing Scams

Making Secure Passwords

Prevention & Safety Tips

Monday, May 3rd

1:00-2:00pm via. GoTo Training
